**“Creation”** is “dedicated to the memory of Alison Hunter, Emily Chapman, Jenny Hill, Tracey Ash, Casey Fero, Sophia Mirza and all those whose lives have been devastated by chronic post infection diseases”.

**Charles Darwin** suffered for more than 40 years from a chronic severely debilitating illness which mirrors the disease Myalgic Encephalomyelitis/Chronic Fatigue Syndrome.

**“Creation”** is based on the wonderful book “Annie’s Box” by Randal Keynes, great great grandson of Charles Darwin. Film rights for the book were optioned by the Hunter family. Recorded Picture Company made the film.
